

Dear Parents

Thank you to all who have completed online orders for blazers and PE kit. For those of you who are still to order, there is still time to do this via the [school shop](#).

You may recall it was our original plan to make blazers available for collection from early July, assuming a normal start to the term in September.

However, we are advised that any new measures relating to the wearing of school uniform are still to be decided. Therefore we feel it is best for all parties to delay the issue of blazers until we have clear guidance on the required dress code for when students return to school.

Please be reassured that should there be any significant delay in issuing uniform, parents will be given the opportunity to amend sizes accordingly

We appreciate this may be disappointing to parents and students keen to receive their new blazer, but we feel this is the right decision to ensure the correct size of blazer is issued first time.

A similar decision with regard to PE kits which were due to be given out on the first day of the new term in September will be made nearer the time.

We will be in touch with a further update as soon as we know more.
