

## **Transition Tasks Week 1 - Faculty of Communication and Understanding**

Dear \$Forename\$ and Parents

Welcome to the Faculty of Communication and Understanding.

We're very much looking forward to meeting you when you start at our school and would love to get you thinking about some of the subjects you will encounter for the first time when you begin your secondary journey while also honing your skills in more familiar areas.

The Faculty of Communication and Understanding includes an exciting range of different areas - **English, Drama, Music and Religious Education**. All of our subjects will get you thinking creatively, expressing your opinions and allow you to consider the world from new angles. Prepare to expand your boundaries!

The projects you have been assigned are voluntary and don't need to be sent back to us. We hope they will encourage you to have some fun and develop some important skills.

We can't wait to see you when you join us at Calday!

Enjoy.

Mrs Hayes

**Head of Faculty - Communication and Understanding**
