

Dear Parent

I would like to take this opportunity to introduce myself and welcome you to the school community. My name is Stephen Gray and it is my privilege to be the new Headteacher of Calday Grange Grammar School. I am delighted to welcome [FORENAME] to the school. This school has a great history and I look forward to working with you over the coming months and years to ensure that [FORENAME] fulfils [HIS/HER] potential.

Please be assured that [FORENAME] will be given first-class pastoral and academic support. Everything that I do is based on achieving the highest possible standards and trying to be the best that I can be. I expect the same from my staff and the students in my care. I believe that education is about much more than just examination results, developing the whole person is key. I want students to feel cared for, supported and to enjoy coming to school.

I have a strong belief in the importance of maintaining strong home-school relations and this is the cornerstone of success for any child. It is vital that you support the school and uphold its values and policies. Likewise, we aim to be an institution which listens to you and responds to any concerns constructively.

Thank you for taking the time to read this and I look forward to meeting you in due course.

Kind regards

Mr S Gray
Headteacher
