Information for Students Seeking Work Experience

Dear student

You may undertake appropriate work experience during the final week of term (w/c 13/07/2015). Please find attached information and the relevant forms that will need to be completed.

Before any work experience placements can be confirmed the completed forms should be returned to me at the school. Paper copies of the forms are available from the Administration Office if required. This information is also available on the school website at www.calday.co.uk/workexperience

If you have any queries about arrangements, please contact me by email at Lynn.Montgomery@calday.co.uk

Yours faithfully
