INDEPENDENT LEARNING TASKS:

You will be asked to research –
an instrument of the orchestra.
You must:

- Research them accurately
- Produce a detailed labelled diagram or picture of the instrument.

COURSE DETAILS:

Music Theory

- Time Names and Note/Rest Values
- Notes on the Stave (Treble and Bass Clef)
- The Keyboard
- Performance Directions

Musical Elements

Instruments of the Orchestra

Minimalism

Music for Special Occasions

KEY SKILLS:

- Active Listening (learning how to listen to individual elements in a piece of music rather than passive listening)
- Aural Awareness (pitch and rhythm recognition)
- Theoretical music knowledge retention and retrieval
- Analysis of music through the musical elements
- Organisation of information
- Attention to detail (drawing notes)
- Research

ASSESSMENT

Classwork will be checked and feedback may given in a range of ways, including verbal feedback, self and peer assessment or formal written comments.

Feedback must always be acted upon. At least one CCT will be set each half term to assess one or more of the key skills above - this will be formally marked and a level will be awarded.

INDEPENDENT LEARNING TASKS (SEE LEFT)

These will be flexible homework challenges with extended deadlines and will be set at intervals during the year. They will test your ability to work independently and help you to improve.

SUPPORT

Your teacher will always be on hand to help – communicate in person, via a Google Classroom post, or via Edulink. Other sources of support are listed on the left.
