

# Calday Grange Grammar School

## **Pupil Premium Statutory Information 2017/18**

Pupil Premium is additional funding provided by the Education & Skills Funding Agency to meet two policy aims:

- raising the attainment of disadvantaged students and closing the gap with their peers;
- supporting children and young people with parents in the regular armed forces.

Schools are allocated Pupil Premium grant on a financial year basis rather than an academic year. The 2017-18 allocation for Calday Grange Grammar School is £50,490. This amount is based on there being 54 eligible 'Ever 6' students at January 2017.

'Ever 6' refers to any students who have been registered for Free School Meals at any point in the last six years or are registered at the date of census in January 2017. The school has 26 students who receive Free School Meals as at September 2017.

The School receives £935 for every eligible 'Ever 6' student and £1,900 for each Looked After Child 'LAC'.

The grant may be spent for the purposes of the school i.e. for the educational benefit of pupils registered at that school.

Pupil Premium funding is used to provide:

- two Learning Mentors to support students with any barriers to learning;
- additional tuition, especially in English and Mathematics;
- support for education and enrichment visits;
- financial support for attendance at University open days;
- additional peripatetic music lessons for students who would otherwise not be able to continue with their musical instrument lessons;
- additional counselling services for students to support the pastoral care provided by the School;
- other ad-hoc support including educational materials and resources based on the individual needs of our students.

### **Impact**

From different starting points, the proportions of students making expected progress in English and Mathematics are higher than the national figures; the proportions making better than expected progress is also above the national figure. Disadvantaged students outperform similar students at a national level, with some individuals matching the attainment of non-disadvantaged students at the school. SEND students regularly outperform non-SEND students both at an individual and a collective level. The standard of attainment of all groups of students is above national averages.

### **Contact**

Parents or Guardians who wish to request additional support for their child should contact the Director of Student Services, Mrs Vicki Storey, by email at [vicki.storey@calday.co.uk](mailto:vicki.storey@calday.co.uk) in the first instance.
